MEMORANDUM FOR: Operations and Maintenance Focal Points at NWS and DOD WSR-88D RDA Sites

FROM:   
W/OPS-42 - Roger W. Hall  
COTR

SUBJECT: Contract No. 50-DGNW-7-90004; Warranty Reporting

The TPMS Contract provides for a one-year warranty on all items installed per Contract Modification 22 (Static UPS Retrofit). For tracking purposes all requests for warranty on all equipment installed with the TPMS Static UPS upgrade must go through the ROC Hotline. Any services provided to your site outside of this avenue could result in additional costs that would not be paid for by the TPMS program.

If you have any questions, please contact Roger W. Hall at (405) 366-6540 ext. 3244.
